Profile

I have a Ph.D. in Instructional Technology and Instructional Design, and a Master's degree in Secondary Education. I possess a broad range of abilities and knowledge, including strong interpersonal and communication skills. I'm an excellent teacher, a motivated learner and a strong leader.

Education

Ph.D., Instructional Technology. University of Virginia, Charlottesville, VA, 2003.

M.A. Ed., Secondary Social Studies Education. College of William and Mary, Williamsburg, VA, 1999.

B.A., History and Anthropology. University of Virginia, Charlottesville, VA, 1994.

Research Interests

- Exploring the use of reflection and mentoring as tools for teachers' professional development;
- Investigating, especially through cross-disciplinary undertakings, the role technology can play in promoting teaching and learning; and
- Developing evidence-based best practices in, and realistic supports for, innovative teaching.

Experience

Assistant Professor, Longwood University, Longwood, VA. 2010-present.

- Planned and taught undergraduate- and graduate-level courses, including
 - Longwood Seminar (LSEM 100)
 - Human Growth and Development (EDUC 245)
 - Foundations of Education (EDUC 260)
 - Media and Technology (EDUC 381)
 - Principles of Instruction, K-8 (EDUC 450)
 - Curriculum in the Elementary School (EDUC 451)
 - Principles of Secondary Education (EDUC 455)
 - Graduate Instructional Media and Technology (EDUC 547)
- Conducted original scholarship and research, including inquiries into
 - Team-Based Learning and collaborative approaches to understanding content;
 - Time and task management and their impact on student academic outcomes; and
 - The development of student-authored case studies as tools for assessing learners' understandings of key concepts.
- Provided service to the University and Community
 - Member, Learning Management System Evaluation Committee, 2012-present.
 - Member, Group Six Team for Instructional Technology, 2012-present.
 - Member, Longwood Academic Committee for Technology, 2011-present.
 - Member, Educational Programs Compliance Team for SACS reaffirmation, Longwood University, 2011-present.

- Faculty Advisor, Kappa Delta Pi Education Honors Society, 2011-present.
- Faculty Advisor, Liberal Studies program of study, 2011-present.
- Chair, Technology and Learning Committee, Longwood University College of Education, 2010-present.
- Member, Grants and Research Committee, Longwood University College of Education, 2010-present.

Faculty Research Scientist, University of Virginia, Charlottesville, VA. 2006-2010.

Faculty Research Associate, University of Virginia, Charlottesville, VA. 2003-2006.

- Planned and taught the required graduate-level Instructional Design course sequence (EDLF 800/801) and corresponding lab courses (EDLF 800L/801L).
- Planned and taught the graduate-level Digital Multimedia course (EDLF 703).
- Planned and taught the required undergraduate Teaching with Technology course (EDLF 345).
- Served as academic advisor for doctoral students' programs of study and research agendas.
- Served on dissertation committees, including duty as co-chair.

Technology Director, Center for Advanced Study of Teaching and Learning, University of Virginia, Charlottesville, VA. 2003-2010.

- Planned, developed, deployed, and supported all technology utilized in multiple multi-million dollar research projects. Products included web-based supports for teacher reflection and collaboration; evidence-based assessment tools; digital media to promote teacher engagement; and administrative tracking systems.

Affiliated grants included

- Education Research and Development Centers (USDE/IES R305A060021)
- Evaluation of Colorado Core Knowledge Schools (USDE/IES R305E090003A)
- inCLASS Observation Scale (Spencer Foundation 201000064)
- MyTeachingPartner (NIH 2 R01 HD046061-06)
- MyTeachingPartner, Secondary Education (WTG 7372)
- MyTeachingPartner, Math/Science (USDE/IES R305A070068)
- National Center for Research on Early Childhood Education (USDE R305A060021)
- Technology-Based Evaluation of Classroom Learning (NSF 08287153)
- Directed a team of instructional designers and multimedia and web developers.
- Managed multiple high-stakes projects simultaneously and facilitated communication and collaboration across projects.
- Conducted instructional design needs assessments, including usability testing, to inform iterative design.
- Collaborated with project faculty and staff across a wide range of content areas and disciplines.
- Conducted original research for publication and inclusion in academic conferences and proceedings.

Co-director, Curry School Educational Technology Strand, University of Virginia, Charlottesville, VA. 2001-2003.

- Responsible for curriculum development for all undergraduate courses in instructional technology.
- Fostered collaboration among technology instructors and methods faculty and developed of new initiatives related to the uses of technology in the classroom.

Graduate Instructor, University of Virginia, Charlottesville, Va.. 1999-2003.

- Developed and taught multiple sections of undergraduate and graduate courses in instructional technology, including technology sections of Teaching as a Profession (EDIS 288), Teaching with Technology (EDLF 345),

Applied Teaching with Technology (EDLF 545), Software Applications in Education (EDLF 546), and Technology for Administrators (EDLF 846).

- Planned and taught in-service professional development courses for K-12 teachers across the Commonwealth of Virginia.
- Nominated for Outstanding Graduate Instructor, 2002.

Keynotes / Invited Presentations

Seminal Readings in Technology and Teacher Education. Invited panel discussion, SITE 2002.

Integrating Technology Across Content Areas. Keynote address for Project SERVE Sunray Academy, 2000.

Professional Service

Reviewer, Kappa Delta Pi Educational Form, 2012-present.

Book reviewer, Kappa Delta Pi International Honor Society in Education, 2012-present.

Member, Program Committee, Society for Information Technology & Teacher Education Conference, 2011-present.

Reviewer, Journal of Research on Technology in Education, 2006-present.

Reviewer, Educational Technology & Society, 2007-present.

Professional Affiliations

International Society for Technology in Education (ISTE)

Association for Educational Communications and Technology (AECT)

Awards / Honors

Dean's Faculty Development Award, 2011-2012, SITE Conference 2012 Presentation, \$1000.

Dean's Faculty Development Award 2010-2011, SITE Conference 2011 Presentation, \$1000.

Dean's Faculty Development Award 2010-2011, Research on the Efficacy of Team-Based Learning in Teacher Training, \$1000.

Dean's Faculty Development Award 2010-2011, SoTL Conference 2011 Presentation, \$500.

AECT's Outstanding Instructional Design Practice, Association for Educational Communications & Technology, 2010. Instructional design for MyTeachingPartner-Mathematics/Science (project director: Mable Kinzie).

Fellowship, Center for Technology and Teacher Education, University of Virginia (1999-2003).

Curry School of Education Community Award (2001).
